- Inspire Program is a neighborhood planning process managed by Baltimore City as a complement to 21st Century Schools Initiative
- Inspire Plans vary based on school/neighborhood, involve green space, housing, public art, health and wellness, public safety, neighborhood anchors
- Each Inspire Plan comes with a pot of funding (\$100,000) for improvements like park improvement, traffic calming, etc. Community members share ideas for spending this
- More meetings to come on this Inspire Plan
